

CAN-BRAC BAND SIGN ASSEMBLY

OVERVIEW

The Sign Bracket is a simple and efficient way to create a permanent fixture for road and traffic signs without requiring two bucket trucks. Simple, straightforward adjustability makes displaying informative signs for road traffic easy.

The sign extrusion will provide reinforced backing for signs and increased support over a larger area.

FEATURES—CAN-BRAC BAND SIGN ASSEMBLY

- Quick and easy installation
- Full stainless steel hardware
- Fits multiple signal configurations
- Ships fully assembled
