

MID SPAN CUSHION HANGER

OVERVIEW

Our Mid Span Hanger is our latest innovation in our line of traffic signal and sign bracketry that combine high industry standards for quality and practical hands on improvements to traditional models. The Mid Span was designed to be highly versatile. It can hang both signs and signals at any point on the mast arm. With the Mid Span, the installation options are endless

Made from a highly durable primary grade aluminum alloy, the Mid Span hanger was designed to last through many years of service even in harsh weather conditions

FEATURES—SPAN WIRE HANGER

- Installation friendly
- Strong & durable
